- a) Tournament – the meeting was asked for a volunteer to be a focal point for the tournament, after a long pause and then a brief discussion no volunteer was forthcoming , reluctantly the tournament will be postponed in June.
- b) Sportsman dinner – John informed the meeting of the profit from the event, this is a major fundraising event for the club and the committee once again thanks John and his team of helpers for a great evening.
- c) Website – all appears fine with website, Jane will continue to monitor material sent to site.
- d) School Link- not a lot of feedback received, Barry and Jackie will follow up, thanks to them both for helping on the days activities.
- e) Disciplinary procedures – Eddie raised the point that he felt the club should have a sub committee for disciplinary issues, after discussing all issues it was agreed that a sub committee will be appointed by John Page in the event of issue being reported, John will nominate the correct people to oversee any matter that may arise in the future. The club needs to show it takes all disciplinary matters seriously. This can affect how the club is viewed from the outside.
